Janet -- Checking in here. In the draft testimony, have you been able to insert the language on our Ex. 5 Deliberative Process (DP) Ex. 5 Deliberative Process (DP) that Chris would like to include on Page 4-5. He mentioned that you had an existing piece of language that we should use there. I have a placeholder that works in there for now.

Byron, Janet

I'm about to head off to Korea for the next week+. I wanted to pass along to you both the latest versions of the draft testimony, Euro Qs&As and a separate set of Qs&As that we pulled from the VW materials, and other places.

OECA and OGC have weighed in on the testimony and our responses to the Euro Qs. The attached documents reflect all comments/edits to date.

Please review the testimony and provided any edits/comments that you may have.

Thanks for your help.

Jim
